

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 835

Introduced by Representative Gabriel H. Bordado, Jr.

EXPLANATORY NOTE

The Local Government Code of 1991 recognizes the role of the barangay as the *"primary planning and implementing unit of government policies, plans, programs, projects and activities in the community; as a forum wherein the collective views of people may be expressed, crystallized and considered; and where disputes may be amicably settled."* There is, in effect, a compelling need to empower barangay officials and volunteers and to properly compensate their efforts.

This proposed legislation, initially filed by former Representative Leni Gerona-Robredo (now Vice President) during the 16th Congress, intends to strengthen barangay governance through financial empowerment, capacity building and continuity of service by (i) granting honoraria to barangay health workers and tanods; (ii) providing trainings, workshops, free legal services and PhilHealth coverage to barangay officials and volunteers; and (iii) giving barangay officials a 5-year term of office. As a respected political scientist puts it, good and effective governance must begin with the smallest political unit. The barangay must, therefore, be given additional leeways to fulfil its role as a veritable catalyst of inclusive growth and development at the grassroots level.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
