First Regular Session
3908
HOUSE BILL NO. _____

Introduced by **Hon. Rolando "Klarex" A. Uy**

EXPLANATORY NOTE

It is our constitutional mandate, as stated in Article XIV, Section 1 of the 1987 Philippine Constitution to protect and promote the right of all citizens to quality education at all levels and take appropriate steps to make such education accessible to all.

To ensure the full implementation of the government policy on Education for All (EFA), this humble representation along with the Cagayan de Oro City LGU aims to establish an independent national high school in Brgy. Pagatpat in the 1st District of Cagayan de Oro.

The area's estimated population according to the latest census is at 6,970 with 1,500 households comprised of an average of 4-5 family members per household. This number has significantly increased since then because of the 1,300 households in the relocation area instituted within the barangay.

Creating an independent high school in the area will help reduce the risk of exposing the children to traffic accidents which they face everyday in travelling to the nearby town's high school facility. Another concern is, they have to compete to get enrolled in the said school because of the bulk of enrollees each year. To meet the demands of the continuous increase of school population and to defray the transportation expenses that most parents struggle with, it is pertinent for Brgy. Pagatpat to have an independent national high school.

This bill, then, seeks the separation of Canitoan National High School Pagatpat Annex from its mother school, Canitoan National High School. The implementation of such will provide the youth of Brgy. Pagatpat a greater chance at learning.

In view thereof, the approval of this bill is earnestly sought.
