**AN ACT PROVIDING FOR THE COMPULSORY DISCLOSURE OF FIRE SAFETY
STANDARDS AND MEASURES IN CAMPUS BUILDINGS**

EXPLANATORY NOTE

Bearing in mind the paramount importance of ensuring our students' safety, this Bill seeks to compel all learning institutions, whether public or private, to disclose their current fire safety practices and programs so that areas of improvement can be properly identified and appropriate measures be adopted.

Considering the congestion of students in certain educational facilities, the hazard posed by fire cannot be discounted. It is therefore imperative for educational institutions to take concrete steps which can guarantee their capability of dealing with such potential hazard. By mandating the compulsory disclosure of fire safety practices, it is hoped that all concerned parties will be able to intelligibly recommend programs and preventive action with the view of keeping our educational institutions safe and equipped to handle fire incidents.

In view of the foregoing, I urge the immediate passage of this Bill.

REP. GLORIA MACAPAGAL ARROYO
