**AN ACT**

**EXTENDING THE CORPORATE LIFE OF THE PHILIPPINES NATIONAL RAILWAYS (P.N.R.) BY ANOTHER TWENTY FIVE (25) YEARS, AMENDING FOR THIS PURPOSE PRESIDENTIAL DECREE 741, AMENDING CERTAIN SECTIONS OF REPUBLIC ACT NO. 4156, ENTITLED "AN ACT CREATING THE PHILIPPINE NATIONAL RAILWAYS, PRESCRIBING ITS POWERS, FUNCTIONS, AND DUTIES AND PROVIDING FOR THE NECESSARY FUNDS FOR ITS OPERATION, AS AMENDED BY REPUBLIC ACT NO. 6366."**

**EXPLANATORY NOTE**

The Philippine National Railways, otherwise known as PNR, was established by virtue of Republic Act No. 4156. It is a state-owned company and an attached agency of the Department of Transportation and Communication (DOTC). It presently operates a commuter rail service in Metro Manila and the Bicol region through the Bicol Express (South Rail) which runs on a daily basis between Manila and Naga City, considered the heart of Bicol.

For almost six decades, the PNR provided dependable, reliable and reasonably affordable fare in transporting people and goods. This made the PNR a strategic backbone and an impetus of economic activity between Metro Manila and the Bicol region but ceased operation in 1993 after several calamities hit the country, more so in the Southern Luzon area. Since then, there have been efforts in restoring it to its former glory until 2009, when partial rehabilitation was implemented and the first train to traverse the South Rail once again resumed operation.

But the on-going rehabilitation and modernization of PNR lines and stations face an uphill climb since the PNR Charter is set to expire this 2013. If not renewed and extended, PNR will cease to operate and further deprive the Bicol region of a cheap form of transportation, the South Rail being an indispensable ingredient in sustaining trade and industry in this part of the country. Furthermore, it will be detrimental for the country if one major source of mass transportation is discontinued.

In light of the reasons cited above, expeditious passage of this bill into law is earnestly requested.
