HOUSE BILL NO. 2886

Introduced by Rep. Dale "Along" R. Malapitan

7 **Explanatory Note**

8
9 This bill seeks to convert the Tullahan Road (Tandang Sora Extension) located in
10 the First District of Caloocan City into a national road. This busy thoroughfare
11 which is about 2.043 kilometers in length is an extension of Tandang Sora Road
12 of Quezon City, and connected to the Quirino Highway in the east and the North
13 Luzon Expressway through the Gen. De Leon Road in the west.
14

15 The conversion of this road into a national road will surely benefit all motorists
16 because the Tullahan Road is a frequently used road that meets the average daily
17 traffic criteria needed for its conversion into a national road. The entire stretch
18 thereof measures 10 meters in width with adequate drainage systems as well as
19 bridge which will help in protecting it in the event of a flood.
20

21 The conversion of the Tullahan Road into a national road will also ensure its
22 proper maintenance. Unlike when left under the care of the local government
23 which is saddled with broad responsibilities and with limited budget to boot,
24 motorists can be assured of its efficiency in near absolute guarantee.
25

26 The Tullahan Road, when properly maintain and improved, could be a major
27 contributor in easing or mitigating the traffic problem prevalent in Metro Manila
28 North. This will have the effect of enhancing the people's productive time and
29 increase commercial transactions that further the economy of the area.
30

31 In view of the benefits that may be derived in converting the Tullahan Road into
32 a national road, the immediate consideration and approval of this bill is highly
33 recommended.
