EXPLANATORY NOTE

This measure is a re-filed version of House Bill 5995 that was approved by the Committee on Public Works and Highways on January 27, 2016 in the 16th Congress.

This bill seeks to declare the road stretching from Barangay Dulong to Barangay Poblacion in the Municipality of Libertad, of the Province of Misamis Oriental, as a national secondary road.

The municipality of Libertad is a fifth class rural town that economically relies on agriculture and fisheries.

It needs the added development boost that includes the conversion of the said road to help spur more agricultural and fisheries activities, including more jobs locally.

The improvement of this road is vital to the local economic development of the said town and Misamis Oriental in general.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

Approved,

REP. JULIETTE T. UY
2nd District, Misamis Oriental
