EXPLANATORY NOTE

This Bill seeks the conversion into a national road of the Tungawan to Malungon Provincial Road, situated in the Municipality of Tungawan, Province of Zamboanga Sibugay, up to the boundary of the Municipality of Siocon, Zamboanga Del Norte. This major road network connects the said municipality to the progressive municipalities of Siocon, Sirawi, Baliguian and Sibuco in the Province of Zamboanga Del Norte.

The conversion of the Tungawan to Malungon Provincial Road up to the boundary of the Municipality of Siocon into a national road is essential to the growth of interior barangays, particularly in the Second Legislative District of Zamboanga Sibugay, which have tremendous socio-economic potentials. Presently, the deplorable condition of this road system has contributed to the unstable peace and order in some barangays, as well as, to the failure of the national and local governments to provide adequate social and health services to the impoverished constituents.

For these reasons, the approval of this Bill is earnestly sought.
