

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Eighteenth Congress
First Regular Session

5320

House Bill No. _____

Introduced by Representative Joaquin M. Chipeco, Jr.

EXPLANATORY NOTE

"All educational institutions shall undertake regular sports activities throughout the country in cooperation with athletic clubs and other sectors," states Section 19, paragraph 2 of Article XIV of the 1987 Philippine Constitution.

What better way, then, to accomplish the aforesaid constitutional declaration than to establish educational institutions that are geared towards the promotion of sports.

This bill precisely seeks to flesh out the said constitutional intent by creating a National Academy of Sports for High School Students. If we truly want our young athletes to metamorphose into world-class sportsmen and women, or international sports champions, or Olympic gold medalists, we need to start them young in life. A sports-oriented high school would also provide us with a deeper pool of athletes for our national teams. And, finally, inasmuch as the establishment of such an institution has been included among the priority pieces of legislation of the administration during the last State of the Nation Address (SONA) of the President, the same requires our serious consideration and support.

In view of the foregoing, the early approval of this bill is earnestly sought.

HON. JOAQUIN M. CHIPECO, JR.
Representative
Lone District of Calamba City
