

Republic of the Philippines
HOUSE OF REPRESENTATIVES

SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3347

Introduced by **HON. MARISOL C. PANOTES**

EXPLANATORY NOTE

This bill seeks to give due cognizance to the potent role of senior citizens in the society and to acknowledge their worthy contribution to the well-being of the nation.

There has to be more than just a granting of discount privileges to senior citizens if the primary intention is to provide them the care and attention that they deserve from their government.

The present and future generations owe a lot to the elderly. The experiences, knowledge, wisdom, struggles and successes that our predecessors gained in their prime are certainly a rich source of inspiration and lessons that will serve as guide, strength and direction for the succeeding generations.

We will be doing our senior citizens a great disservice if we just relegate them to the background and ignore their continuing potential for responsible citizenship.

It is therefore our obligation as legislators to pave the way for the active involvement of the elderly to the mainstream of society and thus make their senior years a meaningful and productive chapter in their lives.

One vital step towards this end is to expand the composition of local special bodies in the LGUs to include the representation of senior citizens. These special bodies mandated in the Local Government Code are the Local Development Council, Local Health Board, Local School Board and Local Peace and Order Council.

This bill was first filed in the 15th Congress by then Representative Elmer E. Panotes, but was apparently stalled in the committee level review.

With highest esteem, appreciation and tribute to our senior citizens, this bill is hereby re-filed for deliberations and subsequent passage by this 17th Congress.
