Consistent with Article XIV, Sec. 1, of the Philippine Constitution which states that *"The state shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all,"* this bill seeks the nationalization of the Ulip National High School-Depot Extension in Sitio Depot, Barangay Upper Ulip, Monkayo, Compostela Valley Province, and renaming it Depot Ancestral Domain National High School.

Sitio Depot is one of the remotest areas in the Municipality of Monkayo. The distance from the said sitio to the center of Barangay Upper Ulip where a high school is located exceeds the 10-kilometer mark. This geographical challenge is a great hindrance to aspiring secondary students who wish to enroll and sustain their studies.

With the collective effort of the residents, the local government units and the Department of Education, however, the Ulip National High School-Depot Extension was opened at the start of SY 2012-2013. It initially operated with three (3) teachers and thirty seven (37) students, with classes being held in temporary classrooms. Through a Memorandum of Agreement, the mother school, the LGUs, benefactors and the parents/guardians pledged that they will continuously provide financial support to the high school until it is nationalized. A piece of land (one-and-a-half hectares) was subsequently donated in favor of the school. When Typhoon Pablo devastated the makeshift classrooms in December 2013, the same were rebuilt and have now expanded to four (4) classrooms, courtesy of the joint efforts of the barangay leadership, school PTA and a mining company. It now has over 150 students in its fold, with 6 regular teachers. It has been certified by the Deped that instructional materials, classrooms, equipment and other teaching facilities are available for use. Other operational and documentary requirements have also been fully satisfied and met.

It is now incumbent upon the State to make things sustainable by infusing the much needed budgetary support through the school's nationalization. Only annual appropriations incorporated in the national budget in favor of the Depot Ancestral Domain High School will make this possible, hence, the need for the passage of this proposal.
