EXPLANATORY NOTE

This bill seeks to separate the existing Dulop National High School- Labangon Extension located in Barangay Labangon, Municipality of Dumingag, Province of Zamboanga del Sur into an independent national high school to be known as the Labangon Subanen National High School.

The said school was established through the initiative of the Local Government of Dumingag with the aid of Assisi Development Foundation Incorporated and the Dumingag United Subanen Association (DUSA) last May 23, 2011. It catered the students residing in Subanen Community and some neighboring barangays such as Datu Tutukan of Dumingag, Pawan of Midsalip, Pange and Macasing Norte of Siayan, Zamboanga del Norte.

Funding support from the Local Government and other private entities have helped in terms of the physical improvement of the school but much more is needed in order to meet the growing school populace and student needs such as the increase in the number of teachers, books, computers, and other instructional and learning materials in line with the Enhanced Basic Education Curriculum (K-12).

The prioritization in the allotment of funds directly from the National Government would greatly help to ensure that the growing needs of the school would be met and that the high standard of education be provided to our deserving students.

As sections 1 and 2 (1), Article 14 of the 1987 Philippine Constitution states: "The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all; and, Establish and maintain, and support a complete, adequate and integrated system of education relevant to the needs of the people and society".

With these reasons, immediate passage of this bill is earnestly sought.
