EXPLANATORY NOTE

Art. XIV, Section 1, of the Philippine Constitution provides:

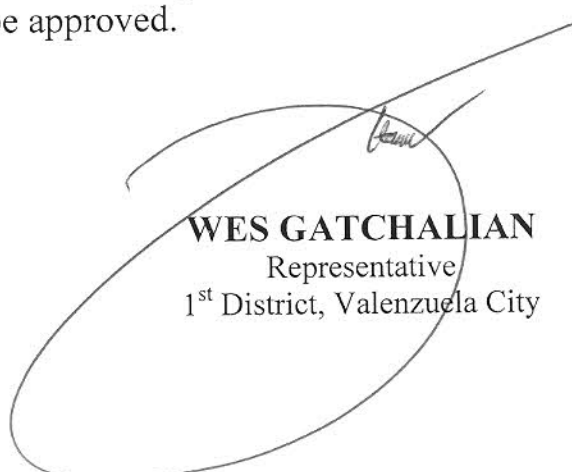

"The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all."

As it is, the constitution provides a system of free elementary and high school education that is accessible to all. Education brings wide benefit to society, it is a great social equalizer.

Disiplina Village in Brgy. Bignay, Valenzuela City, is the biggest informal settler community built by the local government of Valenzuela that will accommodate around 3,240 informal settlers along the Tullahan River and other water ways of the city.

The establishment therefore of a National High School onsite its resettlement area is but fitting because this will make high school education a doorstep away from its residents and its nearby barangays.

Thus, it is just appropriate that this proposed bill creating Disiplina Village Bignay National High School in Disiplina Village, Barangay Bignay, Valenzuela City be approved.
