First Regular Session )

HOUSE OF REPRESENTATIVES

Introduced by Representative Maximo B. Rodriguez, Jr.

House Bill No. **1694**

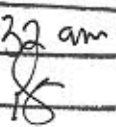

EXPLANATORY NOTE

The Pantawid Pamilyang Pilipino Program (4Ps) is a social development and poverty reduction strategy that provides cash grants to poor households to improve their health, nutrition, and education, particularly of children zero to 14 years. 4Ps is the flagship program of the Department of Social Welfare and Development (DSWD) on poverty reduction. It is a social development program that invests in human capital through the provision of conditional cash grants to poor households. Through 4Ps, it is hoped that health and nutrition of pregnant women and children aged zero to 14 years old will be improved through their availment of preventive health check-ups, vaccines and immunizations. 4Ps also aims to increase the enrollment and attendance rate of children aged 3-14 years old. The 4P grants a family with a maximum of three children in school a P1,400 monthly subsidy or P15,000 annually. At present, 4Ps covers one million poor households in 17 regions in the country.

In order to be qualified to be a beneficiary of the 4Ps, certain conditions must be complied with. These conditions were imposed by the DSWD. This bill, therefore, seeks to strengthen these conditions and provide for additional conditions to be complied with before families can benefit from the 4Ps.

In view of the foregoing, immediate approval of this bill is earnestly requested.
