HOUSE BILL NO. _____

INTRODUCED BY REPRESENTATIVE CAMILLE A. VILLAR

AN ACT
CREATING AND ESTABLISHING THE PHILIPPINE HIGH SCHOOL FOR
SPORTS AND PROVIDING FUNDS THEREFOR

EXPLANATORY NOTE

Education is an integral part of the society and in fact takes priority as mandated by the 1987 Philippine Constitution, to wit:

“The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all. The State shall:

- (1) Establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society;
- (2) Establish and maintain a system of free public education in the elementary and high school levels. Without limiting the natural right of parents to rear their children, elementary education is compulsory for all children of school age” (Section 1, Article XIV).

The State is also mandated to “promote physical education and encourage sports programs, league competitions, and amateur sports, including training for international competitions, to foster self-discipline, teamwork, and excellence for the development of a healthy and alert citizenry. All educational institutions shall undertake regular sports activities throughout the country in cooperation with athletic clubs and other sectors” (Section 19, Article XIV).

Interest in sports has spiked in recent years with the glory and admiration received by national athletes in international competitions with the likes of the boxing icon, Senator Emmanuel “Manny” Pacquiao, weightlifter Hidilyn Diaz, as well as sports legends Paeng Nepomuceno, Elma Muros and Lydia de Vega, among many others.

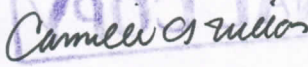

Apart from providing adequate funding support for sports bureaus on one hand, the legislature has another responsibility by establishing special schools meant to train young athletes to future generations of sports icons.

As such, the Philippine High School for Sports (PHSS) is put forward to motivate Filipinos to be excel in sports at a young age. This will provide an avenue for them to be well prepared for

international competitions, as being done in other countries. The PHSS will be of world-class calibre—adequate infrastructure, topnotch instructoan, ideal facilities and proper funding mostly needed by young athletes.

Furthermore, the creation of a specialized high school for sports was listed as a priority of the Duterte administration.

Approval of this measure is sought.
