SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 415

Introduced by **HONORABLE ROMERO "MIRO" S. QUIMBO**

EXPLANATORY NOTE

This bill seeks to create the Social Housing Development and Finance Corporation (SHDFC) which shall become the lead government agency in the development and administration of social housing programs.

On 20 January 2004, the Social Housing Finance Corporation (SHFC) was created by virtue of an executive order (Executive Order No. 272), upon the recommendation of the Housing and Urban Development Coordinating Council (HUDCC) Secretariat. SHFC, a wholly owned subsidiary of the National Home Mortgage Finance Corporation (NHMFC), was tasked to implement the CMP and AKPF programs under the NHMFC and undertake social housing programs for the formal and informal sectors in the low-income bracket.

In its seven years of existence, SHFC's weaknesses were readily observable, if not glaring. EO 272 vaguely defined the powers of the President of the Corporation, of the Board of Trustees, and of the Corporation itself. As a consequence, the SHFC performed limited functions to the detriment of the State's goal to make available affordable decent housing and basic services to underprivileged and homeless citizens in urban centers and resettlement areas. Furthermore, EO 272 failed to provide a concrete set of qualifications for the President of the Corporation which could have adverse impact on the management of the institution.

This bill seeks to address these weaknesses and concerns. The passage of this bill would establish a more independent, well-organized and transparent SHDFC that is more responsive to the housing needs of the Filipino people. Among others, it defines the powers and functions of the SHDFC, mandates the supervision, control and implementation of specified socialized housing programs, creates and establishes the composition of the Board of Trustees as well as their powers and functions, and prescribes the qualifications of the President of the Corporation.

This bill was taken up during the joint committee meetings and Technical Working Group (TWG) of the Committee on Government Enterprises and Committee on Housing at the House of Representatives during the 16th Congress. In view thereof, the expedient approval of this bill is strongly recommended.
