Republic of the Philippines  
**HOUSE OF REPRESENTATIVES**  
Quezon City

**EIGHTEENTH CONGRESS**  
First Regular Session

**HOUSE BILL NO. 3630**

**Introduced by Hon. John Marvin "Yul Servo" C. Nieto**

**EXPLANATORY NOTE**

As a manifestation of support to this timely piece of legislation, this representation respectfully refiles this bill which has constantly been receiving support from the Senate (Sen. Angara's SB 1330), and the past and present Congress.

Countries from different parts of the world have made themselves famous for their tourist destinations - from the enchanting cherry blossoms of Japan to the refreshing beaches of Hawaii. The undeniable splendors of such destinations have captivated the hearts of tourists from all over the world. One helpful avenue that supplemented their popularity is through their appearance in various films and television programs. Many producers are fascinated by the beauty of such sites and have chosen to set their films therein.

Just like other countries, the Philippines prides its self of a variety of equally, if not, more enchanting destinations. Recognized as a prime tourist destination, the Philippines is home to numerous world-class tropical beaches, dive spots, world-renowned surfing destinations, remarkable mountain ranges and landscapes, breathtaking waterfalls, and so much more.

It has long been established by a number of studies that tourism has made positive economic impacts to the Philippines. Tourism has paved way for foreign investments that have helped with the development of our economy.

Ultimately, this bill will not only serve as an enabling platform for the Philippines to showcase its astounding world-class destinations, but also an opportunity for us, as a nation, to develop our efforts towards tourism while giving our local filmmakers, production houses, and technical crews their well-deserved recognition.

In view of the foregoing, the approval for this measure is earnestly sought.
