AN ACT ESTABLISHING A TECHNICAL EDUCATION AND SKILLS  
DEVELOPMENT AUTHORITY (TESDA) TRAINING AND  
ASSESSMENT CENTER IN THE MUNICIPALITY OF NAVAL,  
PROVINCE OF BILIRAN, TO BE KNOWN AS THE NAVAL,  
BILIRAN TESDA TRAINING AND ASSESSMENT CENTER, AND  
APPROPRIATING FUNDS THEREFOR

*Be it enacted by the Senate and House of Representatives of the  
Philippines in Congress assembled:*

1       SECTION 1. *Short Title.* – This Act shall be known as the  
2       “Naval, Biliran TESDA Training and Assessment Center Act”.

3       SEC. 2. *Establishment.* – There is hereby established a  
4       Technical Education and Skills Development Authority (TESDA)  
5       Training and Assessment Center in the Municipality of Naval,  
6       Province of Biliran, under the supervision of the TESDA, to be  
7       known as the Naval, Biliran TESDA Training and Assessment  
8       Center. It shall be established in a highly accessible location in the  
9       Municipality of Naval, Province of Biliran, pursuant to the purposes  
10      of this Act and to the mutual agreement between the TESDA and  
11      the concerned local government units (LGUs).

12      SEC. 3. *General Mandate.* – The Naval, Biliran TESDA  
13      Training and Assessment Center, hereinafter referred to as the  
14      Center, shall primarily provide technical-vocational education and

1       training (TVET) programs to students and local residents from  
2       low-income families and out-of-school youths, including persons  
3       with disabilities and indigenous peoples, in the Municipality of  
4       Naval and neighboring localities in the Province of Biliran, to help  
5       them become productive, self-reliant and globally competitive labor  
6       assets.

7       The Center shall offer training programs on relevant skills  
8       trade competencies, craftsmanship, and entrepreneurship activities  
9       needed to deliver the effective employment interventions that will  
10      hasten the development of the host area and adjacent localities in  
11      the Province of Biliran into human resource and productivity hubs.

12      The Center shall serve as TESDA-accredited Assessment  
13      Center for acquired competencies in TVET programs in the  
14      Municipality of Naval and adjacent localities in the Province of  
15      Biliran. It shall also provide teachers' training and curriculum  
16      design assistance to the secondary schools offering the  
17      technical-vocational livelihood (TVL) track under the K to 12  
18      Program in coordination with the Department of Education (DepEd)  
19      and the TESDA.

20      SEC. 4. *Training Programs.* – The Center shall offer  
21      short-term certificate courses and modular trainings in preferred  
22      technical-vocational skills and trades specialization. To this end, the  
23      Department of Labor and Employment (DOLE), Department of  
24      Trade and Industry (DTI), Department of Science and Technology  
25      (DOST), Department of Agriculture (DA), Department of the  
26      Interior and Local Government (DILG), National Economic and  
27      Development Authority (NEDA), business-industry partners, and  
28      other relevant agencies and instrumentalities, both local and  
29      international, shall provide the necessary assistance to enable the

Center to develop skilled manpower to achieve a robust and inclusive economy in the host area and its adjacent localities.

The Center may establish research and technology hubs, technology development farms, satellite or extension training centers, and promote mobile training programs to strengthen linkages among the industry partners, the academe, and the Center geared towards the acquisition of practical livelihood, employable skills, gainful employment, and entrepreneurship in priority areas in the Municipality of Naval and neighboring localities in the Province of Biliran.

The Center shall offer the following TVET programs with competencies assessment leading to National Certification Levels I-III:

(a) Skills training in industrial technology and hard trades such as metal and steelwork, machine fabrication and operation, heavy equipment operation, automotive mechanic, refrigeration and air conditioning, electronics, and operation of power tools and equipment for both medium skills grade and industrial purposes;

(b) Agriculture and aquaculture-related training and skills development in such areas as farming technology, fishing operations technology, backyard farming and home-based aquaculture and propagation innovations, mechanized farm, fishing tools and equipment operation, agribusiness, agri-aqua trade technology and innovations, and relevant farmers and fisherfolk's trainings for increased productivity and entrepreneurship;

(c) Livelihood skills development courses for preferred skills employment and small-scale entrepreneurship, including practical skills education in arts and crafts, workmanship and design, high-speed sewing, dressmaking and tailoring, horticulture,

livestock raising and breeding, food processing technology, home technology, culinary arts and commercial cooking, cosmetology, and health and wellness training;

(d) Basic business literacy training in financial management, marketing, practical accountancy, bookkeeping, office procedures, business processes and application procedures including registration, licensing, documentation, business patent and intellectual property regulation, business financing and investment opportunities sourcing, import-export accreditation, online home-based business operation, and use of social media business marketing;

(e) Technical-vocational occupation and trades skills such as carpentry, masonry, plumbing, welding, practical electricity and installation, automotive servicing, electronics servicing, personal computer (PC) servicing, and such other relevant practical skills courses;

(f) Computer literacy and information technology (IT)-related skills, digital technology, web design, animation, photoshop/online photography, computer design, and advertising;

(g) Social communication skills and language proficiency courses in English and other languages for business process outsourcing employment and overseas job placement;

(h) Seminars on personality development, career counseling, job placement, and work ethic and values; and

(i) Other preferred skills and trades training that may be needed by the people of the Municipality of Naval and adjacent localities of the Province of Biliran to enhance their capacities for practical livelihood, gainful employment, and entrepreneurial activities.

SEC. 5. *Compliance with TESDA Requirements.* – The provisions of this Act notwithstanding, the Center shall become operational only upon the determination and certification by the TESDA, through the issuance of a formal recommendation and certificate of compliance, that the Center has satisfactorily complied with the minimum requirements for quality standards prescribed by the TESDA governing the following competency assessment:

(a) Standards procedures and guidelines for the establishment and operation of a Center;

(b) Operational sustainability of the Center, in terms of licensed faculty-trainers and personnel, equipment, training and laboratory facilities, instructional materials, and other standard requirements of a Center;

(c) Sustainable funding source and allocation of the budgetary requirement;

(d) Assurance that the training programs offered are fully aligned with the minimum standards of competency-based quality technical-vocational skills technology and the needs of the host area and adjacent communities served in the context of the Association of Southeast Asian Nations (ASEAN) Integration and the Philippine Qualifications Framework for TVET; and

(e) Compliance with such other TESDA conditionalities and standards, as may be necessary and applicable in establishing a Center.

SEC. 6. *Administration.* – The Center shall be headed by a Technical-Vocational Administrator, under the supervision of the TESDA, who shall render full-time service and be responsible for its administration and operation.

The Technical-Vocational Administrator shall be appointed by the TESDA Director General in accordance with the rules and regulations of the Civil Service Commission and the qualification requirements for such office.

The Technical-Vocational Administrator shall enter into agreements with locally-based private and public counterpart agencies or instrumentalities and persons, subject to the approval of the TESDA Director General, for such assistance as may be necessary to effectively implement this Act.

SEC. 7. *Appropriations.* – The TESDA Director General shall include in the Authority's program the operation of the Center, the funding of which shall be included in the annual General Appropriations Act.

The LGUs concerned, in consultation with the TESDA, shall set aside from any available local revenue an amount deemed appropriate as annual counterpart fund to support the operation of the Center herein established.

SEC. 8. *Implementing Rules and Regulations.* – Within ninety (90) days after the approval of this Act, the TESDA shall, in coordination with the DOLE, DTI, DOST, DA, Department of Budget and Management, DILG, NEDA, the concerned LGUs, and such other relevant agencies and industry-business partners of the host locality, prepare and issue the necessary rules and regulations for the effective implementation of this Act.

SEC. 9. *Separability Clause.* – If, for any reason, any section or provision of this Act shall be deemed unconstitutional or invalid, the other sections or provisions hereof shall not be affected and shall remain in force and effect.

1        SEC. 10. *Repealing Clause.* – All laws, executive orders,  
2        decrees, instructions, rules and regulations contrary to or  
3        inconsistent with any provision of this Act are repealed or amended  
4        accordingly.

5        SEC. 11. *Effectivity.* – This Act shall take effect fifteen  
6        (15) days after its publication in the *Official Gazette* or in a  
7        newspaper of general circulation.

Approved,

O
