EXPLANATORY NOTE

The Constitution, Article II, Section 17 states:

“SECTION 17. The State shall give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development.”

Further, Article 14, Section 1 mandates:

“Sec. 1. The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.”

Moreover, the same Article, Section 2, paragraphs (1) and (2) provides:

“Sec. 2. The State shall:

- (1) Establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society;
- (2) Establish and maintain a system of free public education in the elementary and high school levels. x xx”

It is the obligation of the State to provide a complete, adequate and integrated quality education to the youth because of their vital role in nation-building. However, in the article of Secretary General Romulo A. Virola of the National Statistical Coordination Board entitled, *Statistics on Philippine Education: Good News and Bad News*, Dr. Virola reported that the Philippines only spends 3.3% of its Gross Domestic Product on public educational institutions for all levels of education, which is lower than 7.4% for Malaysia, 4.0% for Thailand and all WEI countries and 5.2% average for OECD countries.

The Philippines has 15,114,208 elementary pupils and 5,928,042 secondary students enrolled for SY 2014-2015. Bacoar City has 50, 852 elementary enrollees and 18,338 secondary student enrollees (DepEd EBEIS SY 2014-2015). Bacoar has a population of 520,216 (based on the 2010 Census of Population conducted by the National Statistivs Office). Bacoar has a population of 540,170 (NSCB, 2011). There is a need for a high school in the Salinas area because the four (4) barangays comprising it has a total population of 19,059 (NSCB 2011) There are only five (5) high schools- Bacoar National High School, Bacoar National High School-Main, Bacoar National High School-Gawaran Annex, Bacoar National High School-Eastern Bacoar and Bacoar National High School-Villa Maria Annex, catering to the entire student population of the City of bacoar and the nearby cities and municipalities. Thus, the urgent passage of this bill is earnestly sought.
