HOUSE BILL NO. 4029

Introduced by Representative **TYRONE D AGABAS**

---

**EXPLANATORY NOTE**

This bill seeks to convert the Tayug- San Quintin Provincial Road in the Municipality of Tayug and Municipality of San Quintin from provincial road into a national road.

The 4.2 kilometer Tayug-San Quintin provincial road is of primary importance to the life and well-being of our constituents not only in the towns of Tayug and San Quintin but also to our neighboring towns. The Tayug-San Quintin road is a major route to all types of commercial vehicles plying the Pangasinan-Nueva Vizcaya Road. The northern end of the Tayug-San Quintin road is connected to the Pangasinan-Nueva Vizcaya Road (Tayug Section). The opposite end abuts the San Nicolas-Natividad-San Quintin-Umingan Road (San Quintin Section).

The existing roadway is heavily traversed by motorists coming from the different municipalities of Pangasinan, the Province of Nueva Ecija (Region III), and the Province of Nueva Vizcaya (Region II). The conversion of the Tayug-San Quintin provincial road will generate increased tourism, agricultural, and other commercial activities in an inter-regional scale. Its conversion and upkeep in conformity with national road standards will spur socio-economic development in Pangasinan and neighboring provinces. It will also provide a permanent solution to the deteriorating condition of the Tayug-San Quintin road, a good measure which exempts the Province of Pangasinan from having to appropriate its annual road repair and maintenance funding.

Hence, the immediate approval of this bill is earnestly sought.
