**EXPLANATORY NOTE**

This bill seeks to convert the Silangan National High School in Barangay Silangan, Municipality of San Mateo, Province of Rizal, into a trade school to be known as Silangan Trade School.

Section 1, Article XIV (Education, Science and Technology, Arts, Culture and Sports) of the Consitution provides:

*The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.*

The education of our youth is among the responsible of the State. It is essential to the development and progress of our nation. Accordingly, the proposed conversion of Silangan National High School into a trade school will help address the problem of unemployment in the country. The trade school will provide its students the necessary vocational and technical skills in automotive servicing, welding, lathe machine operation, air-conditioning and so forth. These skills will in turn enable the students to land jobs that are needed by industrial companies in the country.

Lastly, the proposed bill is in response to the clamor of the people of the Municipality of San Mateo, Province of Rizal, so that their children can avail of technical and vocational education and training at affordable cost.
