First Regular Session

HOUSE BILL NO. **3919**

Introduced by REPRESENTATIVE JOEL MAYO Z. ALMARIO

EXPLANATORY NOTE

The education of the young is one of our nation's policies for which the Constitution specifically and unequivocally provides. Article II, Section 13 of the 1987 Constitution provides that "the State recognizes the vital role of the youth in nation building and shall promote and protect their physical, moral spiritual, intellectual and social well-being." And in Article XIV, Section 1, the Constitution states that "the State shall take appropriate steps to make such education accessible to all."

Today, basic education is considered to be the most needed social service that our government could provide to our citizenry. This is because it has been identified as one of the essential requisites for the economic growth of our country.

Education is the key to producing secure, healthy and productive individuals. The bill, with its immediate enactment into law, should therefore be a step in the right direction.

Thus, this House Bill is filed in response to the petition filed by the residents of Barangay Talisay through the position papers of the various sectors of the community within the Municipality of San Isidro, Province of Davao Oriental.

This Bill recognizes the predicament of the parents and sympathizes with the sentiments of the people of Barangay Talisay in their desire to have a National High School in their Barangay by the creation of the **Talisay National High School** to be situated at the Barangay proper in the Municipality of San Isidro, Province of Davao Oriental.

Hence, passage of this bill is earnestly sought.
