### EXPLANATORY NOTE

This bill aims to provide the public school children an opportunity to visit museums and historical shrines free of charge.

Museums and historical shrines provide an avenue for the commemoration of our history and cultural heritage. Public school children will have a richer appreciation of our history and culture thru their exposure to these institutions.

This bill was approved on 3<sup>rd</sup> reading in the previous Congress but did not pass into law due to lack of material time. The immediate passage of this bill is earnestly sought.
