SEVENTEENTH CONGRESS
First Regular Session
HOUSE BILL NO. 3759

Introduced by Rep. Winston "Winnie" Castelo

EXPLANATORY NOTE

It is our avowed State policy to look after the indigent children as contained in Section 3 (2) of Article XV of the Constitution as well as in Article 3 (4) of Presidential Decree No. 603 or the Child Welfare Code.

This proposed measure opens new hope since it makes it mandatory for all government and private hospitals, medical centers, clinics, infirmaries, and puericulture centers to give free medical and dental assistance to indigent children in danger of dying or may have suffered physical injuries requiring immediate medical attention.

For income tax purposes, these incurred expenses or losses for the medicines, facilities or services extended for the care and treatment of indigent children by said private hospital, medical center, clinic, infirmary or puericulture center shall be deductible expenses/losses.

The rights of the child take paramount consideration, hence the immediate passage of this bills is earnestly prayed for.
