EXPLANATORY NOTE

This bill seeks to establish another congressional district in the City of Pasay.

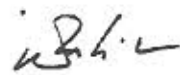

The City of Pasay is one of the prime local government units in Metro Manila. It has experienced a rapid population growth over the years. According to the May 2010 Census of Population conducted by the National Statistics Office (NSO), Pasay City has a total population of 392,869.

Under the 1987 Constitution, specifically Article VI, Section 5(3), it provides that "Each legislative district shall comprise, as far as practicable, contiguous, compact, and adjacent territory. *Each city with a population of at least two hundred fifty thousand, or each province, shall have at least one representative.*

Considering the current population of the City of Pasay having reached almost 400,000, there is an urgent clamour and need for a reapportionment of the lone legislative district for a more rational, practical and sound representation of the people in the August Halls of the House of Representatives. As such, this significant piece of legislation will address the persistent and continuous clamour of the people of Pasay.

Further, this is a **re-filed measure** from the 15th and 16th Congresses.

Hence, the passage of this bill is earnestly sought for.
