HOUSE BILL NO. 3990

Introduced by Honorable Celso L. Lobregat

EXPLANATORY NOTE

Zamboanga City By Pass Road is an essential road for vehicular traffic that provides motorists an alternative route to avoid the central business district. Its function is essentially a national road since it is parallel and caters to the same traffic as that of the national road.

However, the maintenance and improvement of the said road is currently being shouldered by the city government and constitutes a significant drain to the limited resources of Zamboanga City. Converting it into a national road will free the city government of some finances that could fund the maintenance and improvement of vital city roads.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
