EXPLANATORY NOTE

This bill seeks to increase the authorized bed capacity of the Jose B. Lingad Memorial General Hospital (JBLMGH) in San Fernando City, Pampanga from Five Hundred (500) to One Thousand (1000).

This bill is in consonance with the constitutional mandate to promote and protect the right of the people to health and instill health consciousness among them. Further, it is the policy of the State to secure the well-being of the people by providing them efficient health services.

The JBLMGH started in 1921 and was formerly known as Pampanga Provincial Hospital. It has been in existence for almost 90 years and has achieved great accomplishments not only in its services but also in its facilities and infrastructure.

The JBLGMH is committed in improving the health of the people not only in Pampanga but in nearby provinces. To further enhance its capacity of promoting public health and to cater medical patients, there is a need to increase its bed capacity from Five Hundred (500) to One Thousand (1000).

In light of the foregoing, the immediate passage of this bill is earnestly sought.
