First Regular Session

HOUSE BILL NO. **4326**

---

Introduced by Hon. Ma. Lourdes R. Aggabao

---

EXPLANATORY NOTE

Section 2, Article XIV of the 1987 Constitution provides, in part, that *"The State shall establish, maintain and support a complete, adequate, and integrated system of education relative to the needs of the people and society."*

The Wigan Integrated School-Secondary, located in Barangay Wigan, Municipality of Cordon, Province of Isabela is 500 meters away from the elementary campus. This high school, which started its operation in 1993, sits on a 4.5 hectare land - a huge space ideal for learning and construction of high school facilities and classroom buildings. Its students population is comprised of the sons and daughters of the indigenous families displaced before by the Magat Dam Project of Isabela. Some also come from nearby provinces of Nueva Vizcaya, Quirino and Ifugao. Its average yearly enrolment does not go below 270 students. Since its operation, Wigan Integrated School- Secondary has produced competent graduates who have pursued higher learning and training.

The conversion of the Wigan Integrated School- Secondary as an independent high school will greatly benefit our growing number of students and its faculty members and personnel as it will be allocated a separate budget sufficient for an independent high school.

The approval of this bill is earnestly urged in order to meet the educational needs of our constituents, particularly the members of our indigenous people.
