HOUSE BILL NO. _____

Introduced by Hon. John Marvin "Yul Servo" C. Nieto

Explanatory Note:

As a manifestation of support to this timely piece of legislation, this representation respectfully refiles this bill, which has constantly been receiving support from the past (Rep. Batocabe, Rep. Garbin, and Rep. Co's HB 5038) and present Congress.

It is well-known that senior citizens belong to a vulnerable sector. Their old age bring about numerous obstacles such as the lack of income security. It is the duty of the state to affirm the importance of providing special protection to the senior citizen sector for they are recognized in Article 13. Sec. 11 of the 1987 Constitution:

"The State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to all the people at affordable cost. There shall be priority for the needs of the underprivileged sick, elderly, disabled, women, and children."

Senior citizens have contributed immeasurably to the nation throughout their lives. This bill seeks to amend the social pension provision of RA 9994 otherwise known as the "Expanded Senior Citizens Act of 2010". If this measure is enacted into law, all senior citizens will be provided with a pension amounting to One Thousand Five Hundred Pesos (Php 1,500.00). This will definitely alleviate the current conditions of the senior citizens and provide them with the much needed aid in terms of income security.

In view of the foregoing, the passage of this measure is earnestly sought.
