**EXPLANATORY NOTE**

Article XIV, Section 1 of the Philippine Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. Likewise, Section 2 of the Constitution mandates the State to establish and maintain a system of free education in the elementary and high school levels.

This bill proposes to create Lunzuran National High School in Barangay Lunzuran, Zamboanga City, to be known as Lunzuran National High School. The establishment of Lunzuran National High School will benefit not only Barangay Lunzuran but also Barangays Lumbangan and Lumayang in the Second District of Zamboanga City. Due to a high number of elementary graduates produced annually from these barangays, the need to create a new national high school becomes a priority. In order to pursue secondary education, these students travel to the nearest existing high schools located in Barangays of Putik, Divisoria, or other private schools.

This measure aims to fulfill the Constitutional guarantee, giving Zamboanguenos education more accessible and at the same time decongesting the overpopulated national high schools in the area.

In view of the foregoing reasons, approval of this bill is earnestly sought.
