

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4946

Introduced by Hon. John Marvin "Yul Servo" C. Nieto

EXPLANATORY NOTE

As a manifestation of support to this timely piece of legislation, this representation respectfully refiles this bill, which has constantly been receiving support from the past Congress.

The State shall establish a career service and adopt measures to promote morale, efficiency, integrity, responsiveness, progressiveness, and courtesy in the civil service. It shall also strengthen the merit and reward system, integrate all human resources development programs for all levels and ranks, and institutionalize a management climate conducive to public accountability.

This measure seeks to recognize the competency of individuals with doctorate degrees for appointment or promotion to career executive positions in the civil service. The completion of post-graduate studies has been long accepted as equivalent to passing the board or bar examinations. It is only fitting that this representation further affirms the importance of academicians in the country by granting this opportunity for career advancement in the civil service.

In view of the foregoing, the passage of this bill earnestly sought.

JOHN MARVIN "YUL SERVO" C. NIETO
