House Bill No. _____

INTRODUCED BY HON. LUIS JOSE ANGEL N. CAMPOS, JR.

EXPLANATORY NOTE

Since June 2008, Tibagan High School has existed and operated as an extension of Fort Bonifacio High School. It has been an annex of Fort Bonifacio High School since then. The present population amounts to two thousand two hundred forty-two (2,242) students and seventy-four (74) teachers.

Despite the financial and personnel assistance of the local government, Tibagan High School remains to be in much need of funding and personnel. The school teaches students from Barangay East Rembo, Barangay West Rembo, Rizal and other areas as well. Its enrollees continue to increase with each passing year and there is a need for Tibagan High School to become a separate and distinct entity so that it may receive an allotment from the National Budget.

The separation of Tibagan High School from Fort Bonifacio and its conversion from a mere annex to a distinct entity will provide the students a more conducive learning environment. There will be more funding for teachers and teaching materials, thus the quality of education for its students will improve.

For the foregoing reasons, the passage of this bill is earnestly sought.
