SEVENTEENTH CONGRESS  
First Regular Session

House Bill No. 1842

Introduced by **MAGDALO Party-List Representative**  
**HON. GARY C. ALEJANO**

**EXPLANATORY NOTE**

The Military Shrine Services (MSS) was created on January 26, 1977 by virtue of Presidential Decree No. 1076. The MSS is placed under the supervision of the Philippine Veterans Affairs Office (PVAO), along with The Veterans Memorial Hospital, The Veterans Claims Settlement Staff, and The Philippine Veterans Administration. Tasked to conserve and develop military shrines of national importance, the MSS plays an instrumental role in preserving the historical significance of our country's military legacies.

The significance of military shrines cannot be overemphasized. Military shrines are the country's historical touchstones that link the past, present and future generations. Military shrines ensure that those who lost their lives in battles will never be forgotten. They also serve as central symbols of our country's architectural and artistic heritage.

The sorry state of our military shrines warrants urgent government attention for it is only through their preservation can we immortalize the sacrifices of our fallen heroes. The absence of a military historian, coupled with inadequate budget, hinders the MSS to properly maintain and develop national military shrines. Lack of funds also hampers the ability of the MSS to acquire military shrines that are under the management of local government units.

As such, this bill proposes to create a Military History and Shrines Board (MHSB), under the Philippine Veterans Affairs Office (PVAO), which will fully focus on the maintenance and development of national military shrines and battle fields. The Board will be chaired by the Administrator of PVAO, assisted by a military historian. Other members of the Board will be the Head of the Office of the Military Historian, Chairperson of the National Historical Commission of the Philippines, Administrator of the Armed Forces of the Philippines Museum, and two esteemed members of the academe.

By expanding the powers and delineating the functions of the Military History and Shrines Board, it is hoped that the public will place greater importance on the value of patriotism.

For these reasons, the immediate passage of this bill is earnestly sought.

  
HON. GARY C. ALEJANO
