

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1016

Introduced by Rep. Precious Hipolito Castelo

EXPLANATORY NOTE

The Local Government Code of the Philippines provides for the enhancement of the delivery of basic services to every inhabitant of the community. And it is a state policy to promote a just and dynamic social order that will ensure the prosperity and independence of the nation and free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all.

It is upon this principle that the division of Barangay Commonwealth is sought. As of the 2010 NSO Census, Barangay Commonwealth has a total population of 186,543, making it the second most densely inhabited barangay in Quezon City. And for the last three years, peace and order has become difficult to maintain.

On account of this colossal population, the barangay officials of Barangay Commonwealth are hardly able to discharge their duties under the Local Government Code. Unless Barangay Commonwealth is divided, efficient and dynamic governance cannot be had and enhancement of the delivery of basic services and the improvement of the quality of life will be elusive.

Hence, considering the vital importance of this bill, its immediate approval is most earnestly prayed for.
