

SEVENTEENTH CONGRESS)
REPUBLIC OF THE PHILIPPINES)
First Regular Session)

HOUSE OF REPRESENTATIVES

Introduced by Representative Maximo B. Rodriguez, Jr.

House Bill No. **2571**

EXPLANATORY NOTE

This bill was originally introduced as House Bill No. 1723 during the 15th Congress where it was approved by the Committee on Cooperatives Development and substituted by House Bill No. 6912, approved on 2nd reading, approved on 3rd reading and was transmitted to the Senate where it was not acted upon. It was again re-filed during the 16th Congress.

The Constitution recognizes the vital importance of cooperatives as instruments for social justice and economic development and, for this reason has mandated Congress to create an agency to promote the viability and growth of cooperatives. Section 15, Article XII of the fundamental law provides:

"SEC. 15. The Congress shall create an agency to promote the viability and growth of cooperatives as instruments for social justice and economic development.

Pursuant to the aforequoted Constitutional mandate, Congress enacted Republic Act 6939, creating the Cooperative Development Authority [CDA], which was signed by President Corazon C. Aquino on March 10, 1990. Despite the dedication and valiant efforts of its officials and personnel, particularly those assigned to man its various Extension Offices, the Authority has encountered tremendous difficulties and obstacles in the pursuit of its mission to promote the viability and growth of cooperatives. To solve these identified problems, this bill is submitted for consideration.

The bill seeks to strengthen the development and regulatory powers of the CDA in order to ensure that the Authority will be more responsive to the challenges of the future by creating the Cooperative Development Council and Cooperative Adjudication Board in the CDA. The Cooperative Development Council shall establish a more concrete relationship between the sector and the government. Various plans and programs of the sector and the government geared towards the promotion, organization and development of cooperatives shall be synchronized for optimum result. The Cooperative Adjudication Board in the CDA is a specialized quasi-judicial body which guarantees prompt resolution of disputes and grievances between and among members of the cooperatives, as well as between cooperatives. The passage of this bill enhances the capability of the CDA in promoting the viability and growth of cooperatives for national development, thus, its passage is imperative.
