HOUSE BILL NO. 2190

Introduced by Rep. Precious Hipolito Castelo

EXPLANATORY NOTE

Long in its story, this bill shall benefit some 41,973 families as beneficiaries although 13,717 more families already live at the National Government Center sites (of which about 8,001 live at East side and about 4,797 at the West side) This 'overspill' however, cannot be accommodated at the project sites and needed to be relocated outside of the proclaimed NGC area.

This is what the bill seeks to address in a scheme where qualified family-beneficiaries shall no longer worry about being ejected and their houses demolished. It shall be envisioned a community of persons with sense of dignity and who will be responsible taxpayers to the LGU-Quezon City. They can focus on the education of their children, livelihood projects, facility or mechanism on forced savings, and payment of their homelots.

Historically enough, the plight of the landless or homeless has seen former Presidents signing proclamation issuances if only to reserve portions of the government-owned National Government Center Sites or even acquire private lands in order to reserve to them. Hence there were such issuances as Proclamation No. 1826 (FM), Proclamation No. 137 (Cory), Proclamation Nos. 248 and 1169 (FVR) that declared additional portions of land open for disposition under the provisions of Republic Act No. 7279 (Urban Development and Housing Act of 1992).

And with the approval of Republic Act No. 9207 (aka "National Government Center for Housing and Land Utilization Act of 2003"), the nature of use of NGC was changed from quasi-public purpose for national government edifices to the public purpose of social housing and basic community facilities for bonafide residents thereat.

However, there is a need for DPWH to transfer the duty of acquiring private lands at NGC to the National Housing Authority being the implementor of the housing project designated by the Housing and Urban Development Coordinating Council.

Hence, the immediate passage of this bill is most earnestly prayed for.
