SEVENTEENTH CONGRESS
First Regular Session

House Bill No. 2492

Introduced by Representative ESTRELLITA B. SUANSING

EXPLANATORY NOTE

This bill seeks to convert the Sto. Domingo-Quezon-Licab-Victoria provincial road connecting the provinces of Nueva Ecija and Tarlac into a National Road.

The existing road has a length of 21.3 kilometers connecting the municipalities of Sto. Domingo, Quezon and Licab, all in the province of Nueva Ecija to the rest of the Province of Tarlac. It is heavily traversed by motorists from nearby municipalities and cities. Such busy activity contributes greatly in increasing the local economy of both provinces, especially in the agricultural, industrial, social, and tourism sector. By converting the aforementioned road, linkages and better access to services shall be made readily available. The road will also sustain regional industrial and agricultural activities and will continually improve the socio-economic growth of the region.

The Provincial Governments of Nueva Ecija and Tarlac lack the capacity to upgrade and maintain the aforementioned road. Without appropriate funding for maintenance, the road will slowly deteriorate and may come into a state of disrepair. Thus, the need to provide for funds for the continuous maintaining the road at its best conditions for the general welfare of commuters plying the route is of primordial concern.

In view of the foregoing, approval of this bill is earnestly sought.
