EXPLANATORY NOTE

This bill seeks to convert the Anao-Cuyapo Road connecting the Municipality of Cuyapo via the Municipality of Nampicuan, Province of Nueva Ecija and the Municipality of Anao, Province of Tarlac into a National Road.

The existing 8.995 kilometer road stretches from Barangay Cabaducan West, Municipality of Nampicuan, to Barangay Curva, Municipality of Cuyapo, all in the province of Nueva Ecija. It is presently heavily traversed by motorists from nearby municipalities. By converting the Anao-Cuyapo into a National Road, it will provide for the population linkages and better access to services complementing the agricultural, tourism and social sectors thereby contributing to the social and economic growth of both provinces.

The Provincial Government of Nueva Ecija lacks the capacity to upgrade and maintain the aforementioned road. Without appropriate funding for maintenance, the road will slowly deteriorate and may come into a state of disrepair. Thus the need to provide funds for the purpose of continuously maintaining the road at its best conditions for the general welfare of commuters plying the route is of primordial concern.

In view of the foregoing, approval of this bill is earnestly sought.
