First Regular Session

HOUSE BILL NO. 3099

---

Introduced by **HONORABLE STRIKE B. REVILLA**

---

**EXPLANATORY NOTE**

Sports remain as an important aspect of Philippine culture. Despite the non-formal system our country has practiced for the recent years, Filipino athletes have won a total of ten (10) Olympic medals (as of 2016 Summer Olympics), with boxing as the top medal-producing sport.

The President, Rodrigo Roa Duterte said in his fourth State of the Nation Address (SONA) that more than 823 out of school youth, including learners, were able to access non-formal education or alternative system for national sports development.

This bill seeks to establish a national Academy of Sports to formalize our national sports development, to train our athletes with a capability for the gold and to develop a sports manpower corps as the source and reserve pool in training the best amongst our athletes. The Academy will also train the educators and coaching refereeing corps to ensure a continuing stream of top athletes and the best educators for sports development.

A nationwide network is contemplated comprising satellite-training centers, a consortium of education institutions for degree and non-degree programs, local government-sponsored palaros, and linkages with academe and international organizations related to sports development and education.

Immediate passage of this bill is earnestly sought.
