HOUSE BILL NO. 2418

Introduced by Rep. Abdullah D. Dimaporo and Rep. Mohamad Khalid Q. Dimaporo

EXPLANATORY NOTE

This bill seeks to establish a national high school in Barangay Rebe, Municipality of Lala, Lanao del Norte to be known as the Rebe National High School.

Promoting the right to quality education at all levels is one of the major mandates of the 1987 Constitution. Section 1, Article XIV of the 1987 Constitution provides that:

"The State shall protect and promote the rights of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all."

Situated in the outlying area of the Municipality of Lala, the nearest high school is approximately two kilometers away from Barangay Rebe. The establishment of a national high school within the barangay will help decongest other schools in nearby barangays and more importantly, it will provide better access and opportunity for the students in the area to secure high school education by reducing the distance, time and transportation expenses for our constituents.

Consistent with the aforementioned Constitutional provision and in view of the ever-increasing need for a complete, adequate and integrated system of education, it is imperative to establish and maintain effective school facilities which will give the youth in the locality an opportunity to an improved life through meaningful and accessible education.

In view of the foregoing, approval of this bill is earnestly sought.
