HOUSE OF REPRESENTATIVES

H. B. No. 3487

INTRODUCED BY REPRESENTATIVE FERDINAND L. HERNANDEZ

AN ACT
MANDATING THE APPOINTMENT OF BARANGAY HEALTH WORKERS IN
BARANGAYS, PROVIDING FOR THEIR DUTIES AND RESPONSIBILITIES,
COMPENSATION AND BENEFITS, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Article XIII, Section 11 of the 1987 Constitution states the national health policy of our country as follows: "The State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to all the people at affordable cost." Pursuant to Section 17 of Title I of the 1991 Local Government Code, the delivery of basic services and facilities such as health and social welfare services were devolved to the local government units down to the barangay level.

In light of the foregoing, Barangay Health Centers are maintained with the help of Barangay Health Workers who voluntarily provide for health care services to the respective communities. As such, Barangay Health Workers serve as the frontliners in providing for basic health services and, thus, play a vital role in accomplishing our country's national health care policy.

At present, it is unfortunate that our Barangay Health Workers are only considered as volunteers, despite the vital service that they provide to their communities. Thus, our

Barangay Health Workers are only entitled to small benefits and they are not given security of tenure.

This bill, which is a counterpart of Senate Bill No. 392, seeks to address this policy shortfall and give our Barangay Health Workers the due recognition that they deserve by granting them a compensation and benefits package, as well as security of tenure.

And considering the vital role of Barangay Health Centers play in the delivery of basic health care services to our fellow Filipinos, this bill also proposes for the increase of the number of Barangay Health Workers commensurate to the population of each barangay.

In light of the foregoing, the immediate enactment of this proposed legislation is sought.
