EIGHTEENTH CONGRESS

First Regular Session

HOUSE BILL NO. 3378

Introduced by Representative Peter John D. Calderon

EXPLANATORY NOTE

This bill seeks to separate the Langin National High School – Ronda National High School Poblacion Extension in Barangay Poblacion, Municipality of Ronda, Province of Cebu from the Langin National High School and convert it into an independent national high school to be known as the Ronda National High School.

Education is a lasting legacy far more important than any other asset. This sentiment motivates and inspires Filipinos to aim for a good education. This high regard by the people for quality education must be given support and attention by the government. Providing the Municipality of Ronda, particularly Barangay Poblacion, the basic school facilities necessary to enhance their quest for a quality education at the early stage of the learning process is the foremost assistance the government can offer to its citizens.

The elevation of the Langin National High School-Ronda National High School Poblacion Extension into a separate and independent educational institution will open greater opportunities to the youth and provide enough funds and adequate facilities to the school. Its conversion will greatly improve and promote the quality of education of the youth in the area thereby affording them better means of improving their quality of life.

In view of the foregoing, immediate approval of this bill is highly recommended.
