EIGHTEENTH CONGRESS
First Regular Session

4519
House Bill No. _____

Introduced by **MAGDALO Party-List Representative**
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

Section 5 of Republic Act No. 6713, otherwise known as the "Code of Conduct and Ethical Standards for Public Officials and Employees", enjoins all public servants to respond or act promptly on letters, telegrams or other means of communication sent by the public.

The law gives such officials a period of fifteen (15) working days within which to respond or take action on the request. However, not a few government officials are remiss in this obligation whether due to oversight or deliberate failure. In most instances, it takes an unreasonably long time for a response to come along.

The failure to respond may not necessarily be a conscious and deliberate act to ignore a letter request because some officials are really mired in work. Yet the wisdom of the law is beyond cavil. Public office is a public trust, and all government officials and employees must, at all times, be accountable to the people. Certainly, a citizen, however ordinary, deserves nothing less than public service discharged with utmost responsibility, integrity and efficiency.

It is within this context that this measure is being proposed. This bill provides stiffer penalties for the failure of public officials to respond or act on letters and other communications from the public if only to put more teeth to the law.

In view of the foregoing, immediate passage of this bill is earnestly sought.
