EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 1215

Introduced by **MAGDALO Party-List Representative**
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

Article II, Section 7 of the 1987 Constitution states that it is the policy of the State to pursue an independent foreign policy which gives primacy to the protection of our national sovereignty and territorial integrity, and the promotion of our national interest and right to self-determination.

Undoubtedly, it is essential for an archipelagic state like the Philippines to have a strong, independent foreign policy which would enable the country to protect and defend its sovereignty and national interest, and preserve its people and government's right to self-determination. The recent victory of the Philippines over the West Philippine Sea arbitration case and the current Administration's policy stance on national security and foreign relations, have strengthened the call for a more independent foreign policy.

The Department of Foreign Affairs (DFA) has been the sole source of foreign policy initiatives in the country. However, at this time when the country is facing various national security issues and territorial disputes, it is important that we explore these matters from various perspectives and dimensions. To institute an effective and holistic foreign policy, we have to invest not only in the capacity of the DFA, but we should also harness the country's qualified and capable bureaucracy.

It is in this light that this proposed bill seeks the creation of an independent body under the Office of the President to provide advice and recommendations on foreign policy formulations, and ensure a system of checks and balances with the DFA, as the primary agency on matters relating to foreign relations. This shall be known as the Foreign Policy Advisory Board or 'FPAB'.

It is hoped that thru the passage of this bill, we would be able to develop our own effective, holistic and truly independent long-term foreign policy system.

In view of the foregoing, the immediate approval of this measure is earnestly sought.
