House Bill No. 3810

EXPLANATORY NOTE

Crime remains a major problem in our country. There have been numerous incidents of robbery committed by groups or gangs. Under our Constitution, it is the prime duty of the government is to serve and protect the people. However, in its pursuit of curbing crimes, it has been the practice of the Philippine National Police to designate gangs or criminal groups after their hometown, region, or religious or ethnic community. The examples of these gangs are the notorious *Waray Waray* and *Ozamiz* robbery gangs.

This practice of designating gangs after the hometown or region where the suspected members belong is very discriminatory and cast a bad reputation on the place or region as well as to the whole population there who are not members of the gangs. The place becomes notorious to the detriment and prejudice of its residents who are innocent.

This bill seeks to prohibit the Philippine National Police or any person from designating gangs by their hometown, region, or religious or ethnic community.

In view of the foregoing, the immediate passage of this proposed legislation is earnestly sought.

RUFUS B. RODRIGUEZ
