SEVENTEENTH CONGRESS  
First Regular Session

**HOUSE BILL NO. 3552**

Introduced by **HON. RENE L. RELAMPAGOS**  
First District, Bohol

**EXPLANATORY NOTE**

Public Parks offers countless value to our citizens and to our country. More than its tourism value, parks serve historical, cultural, social, economic, recreational and environmental functions to the community. As Franklin D. Roosevelt once said, "The fundamental idea behind the parks is native. It is, in brief, that the country belongs to the people – that it is in process of making for the enrichment of the lives of all of us. The parks stand as the outward symbol of the great human principle."

On January 14, 1963, President Diosdado Macapagal issued Executive Order No. 30 creating an Executive Committee for the development of the Quezon Memorial Circle, Luneta and other national parks in the country. Thereafter, the Executive Committee was renamed "National Parks Development Committee" (NPDC).<sup>1</sup> In 1987, NPDC was attached to the then Ministry, now Department of Tourism.<sup>2</sup> And in 1999, Executive Order No. 160<sup>3</sup> reorganized and designated the members of the NPDC.

At present, the NPDC is tasked to develop, administer, and manage the Rizal Park in Ermita, Manila, the Paco Park in Paco, Manila and the Pook ni Maria Makiling Forest Park in Los Banos, Laguna.

This bill seeks to strengthen the current functional and structural organizations of NPDC and renaming it "Urban Parks Development Authority" (UPDA). Specifically, it will define its jurisdiction by limiting it to "all urban parks," thus, separating the national parks under the authority of the Department of Natural Resources. At the same time, the proposed measure will expand jurisdiction of UPDA to "all urban parks in the country," thus, ensuring an inclusive and standard approach to planning, development, operation, maintenance and promotion of parks in the entire country. Necessarily, the structural complement of the proposed UPDA, which will still be an attached agency of the Department of Tourism, will have to be strengthened to respond to the expanded powers and functions.

In view of the foregoing, the passage of the instant bill is earnestly sought.
