House Bill No. 939

Introduced by **MAGDALO Party-List Representative**

**EXPLANATORY NOTE**

At least eight (8) separate agencies today are working and operating for the welfare of veterans and military retirees. These include the Philippine Veterans Affairs Office (PVAO), the Philippine Veterans Assistance Commission (PVAC), the Board of Trustees of the Veterans of World War II (BTVWWII), the Philippine Veterans Investment and Development Corporation (PHIVIDEC), the PHIVIDEC Industrial Authority (PIA), the Philippine Veterans Bank, the Veterans Federation of the Philippines (VFP), and the AFP Retirement and Separation Benefits System (RSBS).

Despite the number of offices working for veterans' welfare, a lot still remains to be done to uplift the status of our veterans; majority of whom are now elderly, sick, underprivileged, disabled, and poor. There are still many reported cases of delayed pensions and double-listing, and some application for old-aged pension and other benefits are still left pending in the PVAO.

In the face of these realities, the need for systematic administration of veterans' benefits is clear. This bill, therefore, seeks to integrate the agencies working for veterans' welfare which have similar functions and mandate. It proposes to abolish the Philippine Veterans Affairs Office (PVAO), the Philippine Veterans Assistance Commission (PVAC), and the Board of Trustees of the Veterans of World War II (BTVWWII), thereby creating the Philippine Veterans Authority (PVA).

The Authority's main function shall be to harmonize all efforts in generating and maximizing financial sources and facilities that support all veterans welfare programs designed to alleviate the plights of our veterans.

The bill, likewise, provides for the creation of a Veterans Welfare Fund which shall guarantee the continuous payment of benefits and implementation of welfare programs and projects for veterans and their dependents, especially of continuing health and medical services program.

In view of the foregoing, the immediate approval of this measure is earnestly requested.
