**EXPLANATORY NOTE**

This bill seeks to change the name of Bogo-Curva-Medellin-Daanbantayan-Maya Road to Juan Macaraeg Highway to honor and pay tribute to the grandfather of former President and former House Speaker Gloria Macapagal-Arroyo.

Juan Macaraeg was an official of the Department of Public Works during the American and Commonwealth governments. He also served in the Department of Education as district engineer in the Visayas stationed in Cebu. When he was serving in the Department of Education he was able to visit the entire Cebu and frequented the northern part of Cebu more particularly the 4<sup>th</sup> district of Cebu. He contributed to the creation of the several roads in Cebu.

In the year 2008, when then President Gloria Macapagal-Arroyo visited the 4<sup>th</sup> district of Cebu, she saw the worsening condition of the Bogo-Curva-Medellin-Daanbantayan-Maya Road. This particular road with an entire stretch of K0103+ (-213) to K0135+ (+301) -- > 32.4KM K0136+ (-633) to K0144+ (+355) -- > 8.948KM was like a roller coaster road. Then President Gloria Macapagal-Arroyo knew that her grandfather, Juan Macaraeg who used to be a district engineer in the Visayas stationed in Cebu contributed to the creation of roads in Cebu. In order to give honor to her late grandfather Juan Macaraeg, President Gloria Macapagal-Arroyo approved the rehabilitation, widening and concreting of the entire stretch of the Bogo-Curva-Medellin-Daanbantayan-Maya Road. Fast forward to the present time, the said road has become sort of a tourist attraction in the district as it has wowed commuters every time they traverse the said road. The Bogo-Curva-Medellin-Daanbantayan Maya Road has now been considered a freeway or motorway comparable to other countries.

The Bogo-Curva-Medellin-Daanbantayan-Maya Road would not have been made possible if not of District Engineer, Juan Macaraeg and the intervention of then President Gloria Macapagal-Arroyo. The vision of Juan Macaraeg as a District Engineer has made great impact in the improvement of the landscape of Cebu.

In view of the foregoing, it is but fitting to recognize the invaluable contributions of the late Juan Macaraeg to the province of Cebu. Hence, the passage of this bill is earnestly sought.
