HOUSE OF REPRESENTATIVES

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 4013

Introduced by HON. HENRY R. VILLARICA
4TH DISTRICT, BULACAN

EXPLANATORY NOTE

A basic education program geared for the development of sports must be established to enable qualified student-athletes to secure their secondary education while ensuring opportunities for their training, exposure and participation in local and international competitions.

Presently, however, many of our students have proven their abilities in mathematics, science, languages, and other subjects in the regular school but there is no educational institution that will cater to young Filipinos who have the potential of excelling in the field of sports.

This proposed bill seeks to support young athletes and provide them with valuable secondary education along with quality sports training. The Philippine High School for Sports will offer, on a scholarship basis a secondary course with special emphasis on the development of athletic skills of the students through subjects pertaining to physical education and sports development.

During the 17th Congress this bill was filed but due to time constraints no further action was taken on it. The same bill is re-filed for the consideration of the 18th Congress.

Support for the enactment of this measure is earnestly requested.

REP. HENRY R. VILLARICA
