First Regular Session

HOUSE BILL NO. 4412

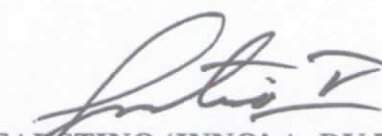

Introduced by REP. FAUSTINO 'INNO' A. DY V

EXPLANATORY NOTE

This bill proposes to create a separate District Engineering Office in the Province of Isabela with jurisdiction over the local government units (LGUs) comprising the newly-created Sixth Legislative District, namely: Cauayan City, Echague, San Guillermo and San Isidro. The Sixth Legislative District of Isabela was created by virtue of Republic Act 11080 which was signed by President Rodrigo R. Duterte last September 27, 2018.

At present, the Isabela 4th District Engineering Office (DEO) is servicing the needs of the Sixth Legislative District. A separate district engineering office that will focus solely on the concerns of Cauayan City and the Municipalities of Echague, San Guillermo and San Isidro will ensure a holistic infrastructure roadmap for the district and the efficient and slippage-free implementation of infrastructure projects therein.

In view of the foregoing, the immediate approval of this measure is earnestly requested.
