**HOUSE BILL NO. 4282**

**EXPLANATORY NOTE**

The 1987 Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. The Constitution likewise mandates the State to establish and maintain a system of free education in the elementary and high school levels.

This bill proposes to establish a National High School in Barangay San Carlos, City of Valencia, Province of Bukidnon to be known as San Carlos National High School. The establishment of San Carlos National High School will directly benefit the students of Barangay San Carlos and the neighboring barangays.

The establishment of the proposed San Carlos National High School is in consonance with the State's constitutional duty to protect and promote the right of all citizens to quality education at all levels and to take appropriate steps to make education accessible to all.

During the 17<sup>th</sup> Congress, this bill was filed (HB 6217). This bill is therefore refiled for the consideration of this Congress.
